Managing Director`s Message

Md. Shamsul Haque Bhuiyan
Managing Director

SR Trading, a name carved high on the shield of Goods Equipment history of Bangladesh, started its journey way back in 1989 with high hopes to see its name aligned with the proud members engaged in building the nation. As the founding member of the company, I have been watching how SR Trading has grown stronger as the time progresses through its work and commitment to the nation. We abide by the rule of never compromising the quality of the products we supply. The contingent of SR Trading consists of a strong team of skilled professionals who are equipped to provide the best equipment for the suitable purpose. With these work forces holding all the limbs of SR Trading together, it is now standing on top of this realm where the name SR Trading entails efficiency, quality and reliability.

Our

Mission

We strive to provide our clients competitive and premium quality equipment and services by strengthening the acceptability of our brands with clients. We make sure to perceive customer needs at utmost level by providing them flexibility in sourcing, competitive prices, on-time deliveries and customized solutions for unique needs.

SR Dairy Farm

SR Dairy is passionate about providing high quality milk and promoting sustainable farming practices. Our farm is dedicated to raising cows specifically for milk production, ensuring that you get the freshest dairy products.

At SR Dairy farm, we have carefully selected breeds known for their exceptional milk yield and excellent milk quality. Our team of experienced farmers and animal handlers work diligently to provide the best care for our cows.

Our team follows strict protocols to maintain the highest standards of cleanliness and hygiene throughout the milk production process.

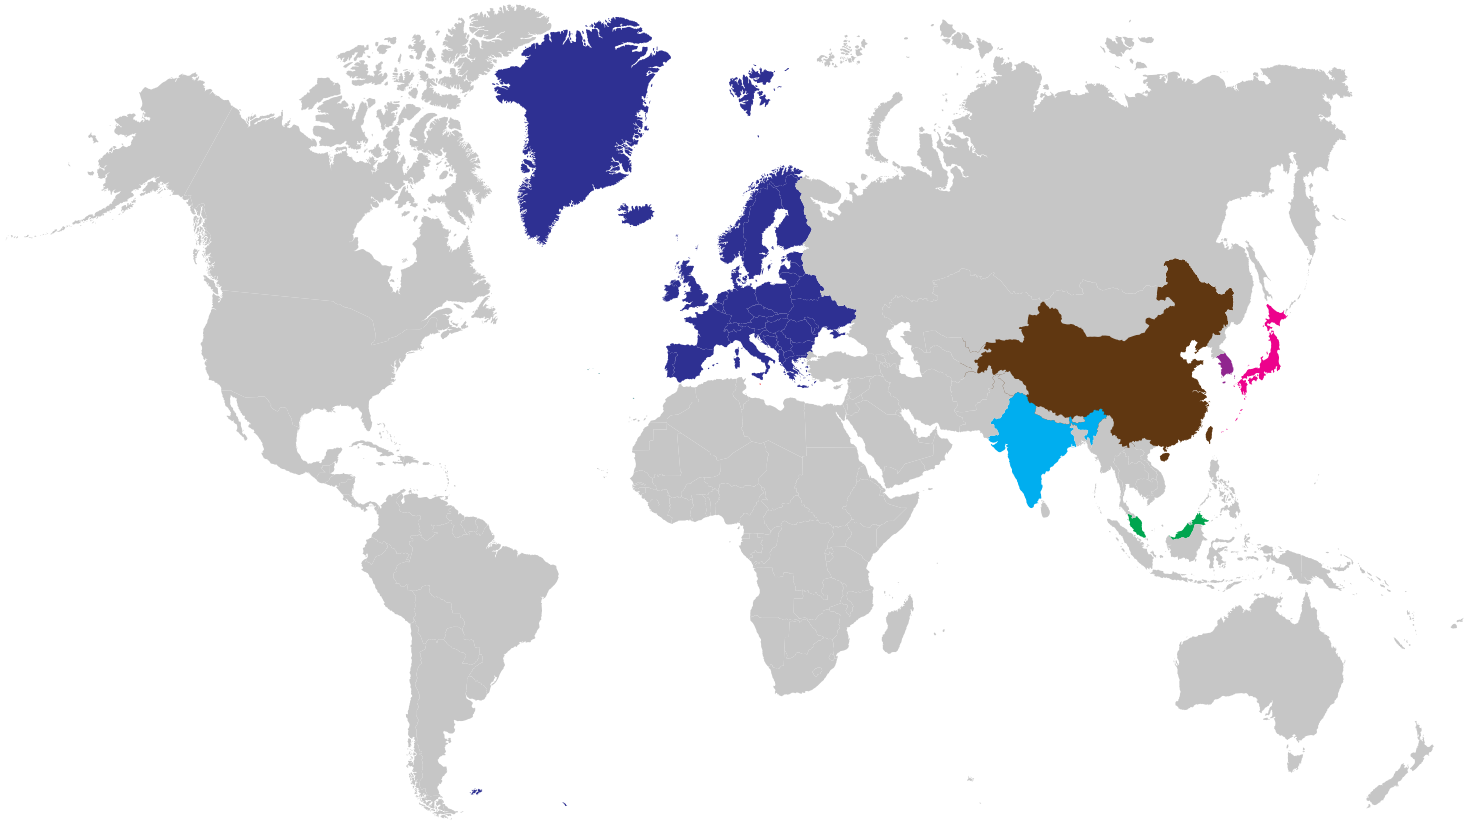

We are proud to be part of the dairy industry and understand the importance of providing safe and healthy dairy products to consumers. We follow strict testing and quality control measures to ensure the freshness and quality of our milk.
